Rotary Down Under

Rotary Down Under is a monthly magazine licensed by Rotary International. It is a reliable source of news and information for humanitarian and volunteer projects co-ordinated by Rotary clubs across Australia, New Zealand and the South Pacific Islands.

The magazine (together with archived copies) can be accessed on-line at

<http://www.rotarydownunder.com.au/>

The December edition has many great stories and while you are on the website, take the opportunity to go to the Facebook page which has contributions by Rotarians as well as international leaders, such as Bill Gates.

The **National Youth Science Forum** (NYSF) in January will see nearly 200 young people attending each of the two NYSF sessions in Canberra. There has been a good response to the request for Home Hosting and by now those who have volunteered should have received confirmation. What is expected of a home host is set out on the registration page at

<http://www.rotaryd9710.org.au/nysf-2015/home-hosting.html>

Also a reminder that Rotarians and their guests may like to attend the NYSF dinners on 8th and 22nd January 2015. Register for dinner (cost \$40) at

<http://www.rotaryd9710.org.au/nysf-2015/registration.html>
