Celebrate Gungahlin was a huge success for our local community. The event was largely organised by Communities@Work, however without the wonderful effort by many people for this inaugural event, it would not have happened. Our members, Clare and Sandra, were our Club organisers and did a great job of making sure everything ran smoothly for our BBQ and information table. Our large team was kept busy all day.

Rotary on the Move

President Ian reminds us that *Rotary on the Move* is the monthly newsletter from our Zone - that is, all of Australasia, and a bit further. Any member who is interested in finding out more about what other clubs are doing and how they can become more knowledgeable about Rotary will find it a great help.

A couple of items that tweaked Ian's interest from this June edition were:

- Retention delivers results (how one of the keys to membership is treating new members with respect and how to help them grow as Rotarians)
- Contemporary leadership in clubs (how expanding the range of styles of leadership)
- Rotary's learning centre (about accessing a valuable online resources on the RI website)
- Experiencing more flavours of Rotary (new ideas and options for clubs to think about trying)
